- For indoor and outdoor use
- Bait contains wheat flour, chopped/milled wheat, lard, sugar
- Helps control rats, house mice, and meadow voles

*Not available in California

PRIVATE LABEL PROGRAM

VM Products has created the most flexible private labeling options in the pest control industry. For many years, private labeling was only an option for the larger companies due to the high minimum requirements on each product. VM Products has created a vast private labeling program for all company sizes.
